D. BILLING

a. Billing Statements

RBL Bank will send at Cardmember's registered email address or mailing address, monthly statement with details of payments credited and the transactions debited to the Cardmember's account since the last statement date. In case of any change in the Cardmember's communication address, Cardmember is advised to contact RBL Bank immediately to ensure all Credit Card Statements are regularly received on time.

b. Minimum Amount Payable

Minimum Amount Due or MAD is the minimum amount you are required to pay to keep your Card Account in good credit standing. MAD* is calculated as a sum of Total GST + Current month EMI Debits + [Max of (100% of Fee/Charges + 5% of (Retail Spends, Cash Advance, Interest)) or INR 200] + previously unpaid MAD (if any) + Overlimit Utilization Amount (if any). If Minimum Amount Due as per the above turns out to be higher than Total Amount Due, then Minimum Amount Due would be equal to Total Amount Due. *MAD calculation on Platinum Advantage Credit Card will change from current 20% of TAD to 5% of TAD w.e.f. March 16, 2025. In the event the Cardmember deposits part of the Total Payment Due or the MAD (not less than the MAD under any circumstance), the balance outstanding amount payable shall be

carried forward to subsequent Statements. This will attract Finance Charges until the date of full and final payment. In the event payment for the MAD is not received, the account will be reported as delinquent to Bureau.

Note: Paying only the Minimum Amount Due each month will result in prolonged repayment periods and higher interest payment on Cardmember's outstanding balance.

Illustration: If a Cardmember spends INR 5,000/- and pays exactly the Minimum Amount Due every month, then it may result in the repayment stretching over 6 years with consequent interest payment on the outstanding amount. Therefore, whenever cash flow allows, the Cardmember should pay back substantially more than just Minimum Amount Due.

RBL Bank may, at its sole discretion, at anytime, without prior notice, withdraw the option to pay only the MAD as described in the foregoing clauses, in the relation to any Cardmember. Unless otherwise agreed to by RBL Bank, any payments received (including recovery in NPA accounts not eligible for upgrade cases) from the Cardmember against amounts specified in the following order:

- (i) Taxes
- (ii) EMI
- (iii) Fees and Charges
- (iv) Interest Charges
- (v) Payment towards retail purchases and cash withdrawals;

If a Cardmember chooses to pay the Minimum Amount Due, the payment amount will settle the components of MAD in the order mentioned above, resulting in settling the Interest charges before settling the principal (retail & cash withdrawal purchases) amount.

Notwithstanding anything contained herein above: (i) RBL Bank may, at its discretion, appropriate such payments towards the dues, if any, payable by the Cardmember in respect of other facilities availed of by the Cardmember from RBL Bank; (ii) the order of appropriation may be modified by RBL Bank at its discretion. Excess amounts if any, remaining after such appropriation may be appropriated against the amounts, which are to be specified immediately next statements to be generated by RBL Bank.

d. Through Periodic Payments:

Cardmember may opt for Standing Instruction (SI)/National Automated Clearing House (NACH) on their Credit Card. SI/NACH can be for Total Amount Due (TAD) or Minimum Amount Due (MAD). To download SI/NACH Forms, visit: <https://www.rblbank.com/download-forms/credit-cards>.

It may be noted that the amount applicable for the SI/NACH execution is post accounting for the credits (customer-initiated payments, merchant refunds, reward redemption credit/cash back, charge reversal etc. if any) and debits (payment reversals) received into the account after the last statement/bill up to a working day prior to the Payment Due State. SI/NACH execution works on the logic that either minimum of MAD or the difference between TAD and credits will get executed.

Customer initiated payments plays a key role in deciding the amount of SI execution. In the event of total amount due and the net of credits debits (containing payments) be equal or less to the total amount due, SI/NACH will be executed for the net difference of MAD and the payment received if the difference is greater than INR Zero.

In case of payments by NACH/SI if the payment due date is a holiday, the NACH/SI will be presented on the previous working day. Payments through cheque should be made at least 3 days in advance to ensure fund realization by payment due date.

If the payment instruction (NACH/SI) is for MAD then –

Payment Instruction Type	Scenarios	TAD	MAD	Customer initiated payment	SI/NACH execution
MAD	A	2,000	200	0 (no payment)	200
MAD	B	2,000	200	100 (Payment < MAD)	100
MAD	C	2,000	200	200 (Payment = MAD)	0
MAD	D	2,000	200	400	0
MAD	E	2,000	200	1,600	0
MAD	F	2,000	200	1,900	0
MAD	G	2,000	200	>=2,000	0

If the payment instruction (NACH/SI) is for TAD then -

Payment Instruction Type	Scenarios	TAD	MAD	Customer initiated payment	SI/ECS execution amount
TAD	A	2,000	200	0 (no payment)	2,000
TAD	B	2,000	200	500 (Payment < MAD)	1,500
TAD	C	2,000	200	1,500 (Payment = MAD)	500
TAD	D	2,000	200	>=2,000	0

If the Cardmember has a Non-Resident Indian (NRI) status, then all payment(s) towards the Credit Card Account should be from the RBL Bank NRE Bank account. Payment through any other mode will not be accepted. RBL Bank reserves the sole right to block or close the card forthwith. Refer to Product T&C for more details.

Please note: Setting up of standing Instructions from an RBL Bank NRE Savings Account is mandatory for NRI Credit Card's bill payments.
