

ORGAN DONOR COVER

We care about those who help you as much as we care for you. So, beyond ensuring that your medical needs are met, we will reimburse you for medical expenses that are incurred by an organ donor while undergoing the organ transplant surgery.

GET A SECOND OPINION

We take your illness as seriously as you do. If you are suffering from a serious illness and feel uncertain about your diagnosis or wish to get a second opinion of an expert/doctor, we arrange one for you.

HAVING SECOND THOUGHTS? NO PROBLEM

We recognise that you know your needs best. Hence, after purchasing the policy, if you find it unsuitable, you can cancel and return the policy to us. Our policies come with a free-look period of 15 days from the date of receipt of the policy.

NO UPPER-LIMITS ON CERTAIN EXPENSES

We believe that you should be free to decide how to spend your health insurance cover towards getting the best possible medical care. As far as we're concerned, it is your money. So our plans come without any cap on certain expenses like doctor/surgery fees, operation theater & allied charges, to name a few.
