ANNEXURE

From:

Mr/Ms/ M/s. _____

 (Name and address of the borrowers)

To:

The Branch Head,

 (Name of the lending Institution and address)

Dear Sir,

With reference to the Credit facility lies sanctioned to me/us vide sanction Letter ref No _____ dated _____, and being availed by us today, I/ we confirm having understood the following concepts and illustrative examples related to due dates, classification of our borrowal accounts as SMNPA In the course of the conduct of the accounts.

Concepts / clarifications / Illustrative examples on Due dates and specification of SMA / NPA classification dates Dues:

mean, the principal / interest/ any charges levied on the loan account which are payable within the period stipulated as per the terms of sanction of the credit facility.

Overdue:

mean. the principal / interest/ any charges levied on the loan account which are payable . but have not been paid within the period stipulated as per the terms of sanction of the credit facility. In other words, any amount due to the bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the bank.

Relevance of the Principle of 'First In First Out' (FIFO) in appropriation of payments into the borrowal account:

The Principle of FIFO i.e., 'First In, First Out' accounting method is relevant to arrive at the No. of days of overdue for determining the SMA / NPA status. The FIFO principle assumes that the oldest outstanding dues in the loan account needs to be cleared first .The FIFO method thus requires that what is due first must be paid by the borrower first. For example;

if in any loan account as on 01.02.2021 there are no overdues and an amount of Rs. X is due for payment towards principal instalment/ interest/charges, any payment being credited on or after 01.02.2021 in the loan account will be used to pay off the dues outstanding on 01.02.2021

Assuming that nothing is paid /or there is partial payment (Rs Y) of dues during the month of February, the overdue as on 01.03.2021 will be Rs .X-Y.

Additionally, an amount of Rs.Z becomes due as on 01.03.2021, Now any payment /partial payment into the account on or after 01.03.2021 will be first utilized to pay off the partial due of 01.02.2021 (Rs X - Rs.Y) If there is more recovery than the Rs X - Rs Y. then after recovering dues of 01.02.2021, the remaining amount will be treated as recovery towards due of 01.03.2021.

Age of oldest Dues:

The age of oldest dues is reckoned in days from the date on which the oldest payment is due and continues to remain unpaid In the aforesaid illustration, if the Dues relating to 1 st February 2021 remain unpaid till 01.03.2021, the age of the oldest dues is reckoned as 29 days on 02.03.2021.

Classification as Special Mention Account (SMA) and Non-Performing Asset (NPA)

Lending institutions will recognize the incipient stress in loan accounts, immediately on Default, by classifying them as Special Mention Accounts (SMA) The basis of classification of SMA / NPA Category shall be as follows:

Loans in the nature of Term Loans		Loans in the nature of cash credit overdraft	
SMA Sub-categories	Basis for classification - Principal or interest payment or any other amount wholly or partly overdue	SMA Sub-categories	Basis for classification - Outstanding balance remains continuously in excess of the sanctioned limit or drawing power, whichever is lower, for a period of:
SMA-0	Upto 30 days		
SMA-1	More than 30 days and upto 60 days	SMA-1	More than 30 days and upto 60 days
SMA-2	More than 60 days and upto 90 days	SMA-2	More than 60 days and upto 90 days

However, In case of NBFCs, the reference to 90 days for SMA-2 / NPA classification to be read as per the applicable norms and also subject to the provisions of the RBI Circular DOR.CRE.REC.No.60/03.10.001/2021- 22 dated October 22, 2021 on 'Scale Based Regulation (SBR): A revised Regulatory framework for NBFCs. Also, the asset classification norms of Agricultural advances which are based on Crop Season shall continue as hitherto.

Non-performing Asset:

Non-Performing Asset (NPA) is a loan or an advance where:

- interest and/ or instalment of principal remains overdue for a period of more than 90 days in respect of a term loan,
- the account remains 'out of order' as indicated below, in respect of an Overdraft/Cash Credit (OD/CC),
- the bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted,
- the instalment of principal or interest thereon remains overdue for two crop seasons for short duration crops,
- the instalment of principal or interest thereon remains overdue for one crop season for long duration crops.

'Out of Order' Status :

An account shall be treated as 'out of order' if:

- the outstanding balance in the CC/OD account remains continuously in excess of the sanctioned limit/drawing power for 90 days, or
- the outstanding balance in the CC/OD account is less than the sanctioned limit/drawing power but there are no credits continuously for 90 days, or the outstanding balance in the CC/OD account is less than the sanctioned limit/drawing power but credits are not enough to cover the interest debited during the previous 90 days period.

Illustrative movement of an account to SMA category to NPA category based on delay/ nonpayment of dues and subsequent upgradation to Standard category at day end process:
