

Please take note of the Secured Card Cancellation Process as below:

- Please pay and clear all your present payment dues (if any) on your BFL RBL Bank Freedom SuperCard before initiating the Card cancellation process.
- Post clearing all dues, please call on: 022 7119 0900 or mail on: supercardservice@rblbank.com from your registered email ID to raise your request for Card Closure. Also, request you to not use your card thereafter.
- A SMS text confirming the Request ID will be shared on the registered Mobile Number, once the request has been successfully raised.
- Your card will be cancelled (subject to NIL outstanding on your Card) and lien from the FD will be removed within 3 working days. A communication confirming the same will be shared on your registered email ID.
- You can now choose to continue the FD with RBL Bank. Else please use Mobank App ([link](#)) from anywhere to dissolve the FD and transfer the funds to your Savings Account.
