The value specified in this calculation is based on estimated spends. The value is in the form of benefits that you can avail as part of the Card membership.

Cardmember will earn reward points as defined in respective product terms & conditions. However, offline UPI transactions under INR 2,000 done at small merchants on RBL Bank RuPay Credit Card will not be eligible for rewards points, voucher benefits, milestone benefits or any other product benefits, unless stated otherwise. For clarity, small merchants in this case means merchants with turnover of not more than INR 20 lakh during the previous financial year.

This is only for illustration purpose. It may vary from customer-to-customer basis category of spends like grocery, travel, utility etc.
