

Kind Attention

Steps to Prevent Your Bank Account from turning Dormant

- Keep your contact details up to date to receive all communications from the Bank
- Automate your payments or deposits
- Conduct transactions of any amount periodically
- Link your bank account to a mobile wallet or UPI app for regular transactions
- Regularly monitor your account activity
- For assistance, contact your bank

In case your account is inactive or has become inoperative, or the funds are transferred to Depositors Education and Awareness Fund (DEAF) maintained by RBL Bank, Branch shall guide you to activate your account or reclaim your deposit.

Kindly scan the following QR Code to know the process of activating the account or to check if your deposits have been transferred to the Depositor Education Awareness Fund (DEAF).
