

## Steps to Validate your RBL Bank Account

1. Login to Income Tax Portal - <https://eportal.incometax.gov.in/iec/foervices/#/login>

The screenshot shows the login page of the Income Tax Portal. On the left, there is a 'Login' section with a text input field for 'Enter your User ID \*' containing 'PAN/ AADHAAR/ OTHER USER ID'. Below the input field are 'Continue >' and '< Back' buttons. Underneath, there is a section 'Other ways to access your account' with a 'Net Banking' option. On the right, there is a 'Know about your User ID' section with three categories: 'PAN (Permanent Account Number)' for Individuals and Other Than Individuals; 'Aadhaar Number' for Individuals; and 'Other than PAN users' for CA, External Agency, ERI, Tax Deductor & Tax collector, TIN 2.0 Stakeholders, ITDREIN, Non-Residents, ARCA, and TAN. A 'Show More' link is at the bottom of this section.

2. Go to "My Profile"

3. Select "My Bank Account"

#### 4. Select "Add Bank Account"

! subsequently got invalidated due to consequent changes in IFSC/Account Number. It may advised to check and re-validate such bank accounts with updated IFSC/A ⓘ

[Success : Bank Account number and Confirm bank account number is same](#)

#### Notes

1. Add a bank account which is linked with your PAN (bank account number must be linked with your PAN) to receive refund.
2. Refund can be issued in following account types: Savings, Current, Cash Credit, Over Draft & Non Resident Ordinary.
3. The Name as per PAN and Name in your bank account must match.
4. Refund cannot be issued to bank accounts which are closed, invalid, under litigation or in blocked status.
5. EVC can be enabled for Individual taxpayers only, for one validated bank account at any given time.
6. To Enable EVC, Mobile number or Email Id as in e-Filing user profile should match with the details linked with the bank account.
7. If there is any change in mobile number or email Id linked with bank, update the contact details in e-Filing user profile and then revalidate your added bank contact to get your updated contact details validated from bank.
8. EVC can be used for following: verifying income tax returns and other forms, e-Proceedings, refund reissue request, reset password and secured login to e-filing account.
9. EVC can be enabled for the bank account of following banks only. [List of Banks](#)
