RBL Bank Partners with CAMS to Provide Merchant Acquiring Settlement Service

The partnership will enable real-time settlements and secure card processing

Mumbai, August 12, 2025 – RBL Bank today announced that it has entered into a strategic partnership with CAMSPay (Payments Unit of CAMS) for the launch of “The CAMSPay’s New Payment Gateway”, a cutting-edge digital payments platform designed to meet the evolving needs of Indian enterprises. As the Merchant Acquiring Settlement Service Partner, RBL Bank will enable seamless acquiring settlement services for CAMSPay.

This collaboration combines CAMSPay’s innovation in payment technology with RBL Bank’s robust banking infrastructure to deliver a secure, scalable, and regulation-ready solution for businesses across sectors. The enhanced platform will provide CAMSPay’s customers with secure and compliant payment processing, real-time analytics, automated reconciliation, and settlement through Open APIs, empowering enterprises to handle high transaction volumes with ease and efficiency. **R Subramaniakumar, MD & CEO, RBL Bank**, said, “At RBL Bank, we are consistently enhancing our service proposition to payment aggregators by investing in cutting-edge technology and seamless operational processes to create value for our clientele. We are delighted to partner with CAMSPay on this marquee initiative of launching a future-ready payment gateway that aligns with India’s growing digital economy. Our platform will provide greater agility with reliable, real-time payment solutions that drive operational efficiency.”

Vasanth Jeyapaul, CEO - CAMSPay, added, “With the CAMSPay’s New Payment Gateway, our goal is to empower businesses to overcome everyday payment challenges by providing a stable, secure, and flexible platform. This is not just another gateway – it is a strategic platform built to meet regulatory requirements while delivering real-time capabilities.”
